Peace River Country Stands Ready To Welcome Vice Regal Party

Robert Cochrane Wins First in Timothy; Edward Harrop Finished First in Brome; Local Exhibitors Make Wonderful Showing

To win any prize at the World's Grain Exhibition being held at Regina this week is an honor, but to win any prize is certainly out of the ordinary. Yet this is what exhibitors from this part of the Dominion accomplished.

Not only that, but out of the other firsts won by Alberta, four come to this district.

Following is a list of winners from the Peace River, as contained in a special wire to The Tribune:

Ten-bushel class Hard Red Spring Wheat: 1st, Treble; 2nd, Fred Pasche; 3rd, Godfrey; 4th, Anderson; 5th, LaPlace; 6th, Robt. Cochrane; 7th, Gustaf Erickson; 8th, H. LaFle.

(Continued on Page Eight)

Cremony May Soon Be Built at Grande Prairie

That there is a reasonable possibility that Grande Prairie will soon have an up-to-date cremony was revealed at a special meeting of the Board of Trade called to order on August 2. C. W. Stilling, of the town of Peace River, the feasibility of erecting a cremony here.

Mr. Stilling submitted two propositions. Finally it was decided that he assume the responsibility with a certain amount of local support.

If satisfactory arrangements can be made, and The Tribune is informed that the project is meeting with favor, work will commence immediately.

The cremony will be modern in every respect and will include an ammonia cold storage system. Cost will be approximately \$8000.

Mr. Stilling said that if he can get going right away, it would be possible to have the cremony in operation by the latter part of September.

That there has been need of a cremony here ever since the old cremony closed down, was pointed out by the members of the Board of Trade present at the meeting. It was opinioned that a cremony here would not only help the farmers but would also help the town.

Jack Taylor To Show His Wares Hythe, Aug. 8th

HYTHE, Aug. 1.—The advance sale of tickets to the wrestling and boxing card to be presented here on August 8, by Promoter Rex Harper points to a packed house.

The big drawing card is naturally the wrestling bout between Jack Taylor, the famous Canadian, and Bud Ward of Wembley, champion of the Peace River.

The rules governing the bout are two out of three falls, with a limit of two hours.

The preliminaries to the main attraction will include six boxing bouts between boys all well known to the Miller Patterson, at one time light-heavy amateur boxing champion of the province, will be the chief attraction.

Following the bouts a dance will be held, at which Bert Funnell's orchestra will supply the music.

Grain Buyer's Presence of Mind Saves Elevator

(By The Tribune's Correspondent) PRESBYTER, July 29.—The U.G. elevator was struck by lightning on Wednesday, July 26, at about 11 p.m. Mr. Vincent Durda, the buyer, who was sleeping in the office close by, was awakened with the shock and could smell the burning wheat.

Mr. Durda's presence of mind and hard work was all that saved the building from being burned to the ground. He fought the fire alone until about one o'clock, when he got Mr. M. Park, who lives very close to the elevator.

As there was no phone in the building and the fire was inside, the neighbors did not know about it and did not turn out to help.

Mr. Durda said that there were twenty-four different fires.

Mr. George O'Hara from Clairmont is repairing the elevator.

Sexsmith Meeting Sexsmith Branch Canadian Legion

SEXSMITH.—A special meeting of the Canadian Legion, Sexsmith Branch, will be held in the Orange Hall, Sexsmith, on Saturday evening, August 5, commencing at 8 o'clock.

As many matters of importance will come before the meeting, it is desirable that all returned men be present.

The part that the Legion is to take in receiving the Governor-General and party on August 9 will be taken up.

ROBERT COCHRANE
President of the Grande Prairie Seed Growers Association, who won first in Timothy and was awarded several other prizes.

Sir William Clark Tented Village To Address G. P. Canadian Club Within Boundary Of Grande Prairie

D. W. Pratt, secretary of the Grande Prairie branch of the Associated Canadian Clubs, informs The Tribune that Sir William Clark, High Commissioner for the United Kingdom, will tour the Peace River country between the dates of August 28 and September 2 and that he has accepted an invitation to speak to the Grande Prairie Canadian Club.

The exact date will be announced later.

Sir William will be accompanied by Mr. Clark.

Tom Jamieson In Field Non-Partisan Nomination

Thomas Jamieson, oldtimer at Peace River and one of the Block's most progressive farmers, was a visitor to Grande Prairie on Tuesday last.

Asked by The Tribune reporter if he would be a candidate at the coming election, Mr. Jamieson replied that he was allowing his name to be placed in nomination at the Non-Partisan convention to be held soon.

C. F. M. Plants will be another candidate for nomination, said Mr. Jamieson, who added: "There certainly will be plenty of candidates in the field."

He stated that there was a rumor that Tommie would put a union candidate in the field.

Asked as to condition of the crops, the visitor said they were the best the Block has had for years and fully fifty per cent better than last year.

Mr. Jamieson, who is president of the Peace River Co-operative Creamery, in reply to a question, stated that some months ago the creamery was rented to King and Mason and that the results had been most satisfactory, around 10,000 pounds of butter a month being made. "We find this arrangement more satisfactory than the old way," Mr. Jamieson added.

Mr. Jamieson is also a breeder of purebred Shorthorns and has in his 25 head of cattle.

Clairmont Making Special Preparation to Welcome The Governor General

CLAIRMONT, Aug. 1.—Clairmont is determined not to be outdone and is leaving no stone unturned in its efforts to give the vice-regal party a royal reception on the sports ground here.

The address of welcome will be read by Mayor Walter Ward; and Mrs. Callister will greet Her Excellency Lady Beaulieu with an address of welcome from the women.

A guard of honor for Her Excellency will be formed by the C. O. I. T. At the conclusion of the reception the school children of the district will sing "O Canada!"

All along the way the towns and villages in the Peace River are making preparations to welcome the vice-regal party.

The Governor-General and party will be taken to Fairview, from which point they will be transported by cars supplied from south of the Peace. The following is the itinerary for south of the Peace:

Wednesday, August 9

Arrive Spirit River, 3 p.m. (stay about 15 minutes—short address); Ryegate, 5:45 p.m.; Sexsmith, 5 p.m. Meet returned men and children. Afternoon tea and short address. Clairmont, 5:30 p.m.; brief reception and address; arriving at Grande Prairie about 8 p.m.

Train will wait at Spirit River to transport party in case of bad roads or wet weather.

7:30 p.m. Address of welcome by H. W. Smith, Mayor P. J. Tooley, at the school grounds. Meet returned men, other bodies and the public.

8 p.m. Party will proceed for dinner, sponsored by members of the Canadian Club. Address and music program. Members of L. O. R. E. will be at dinner to meet Her Excellency.

Party will spend night on train at Grande Prairie.

Thursday, August 10

9 a.m. Party will leave Grande Prairie, motorcade via Richmond Hill (golf course), past Treble's farm, Wembley, 10 a.m.; arrive at Peace River, 10:30 a.m. Party will change cars for a scenic trip to Saskatoon.

Returning to Experimental Station at 12 noon for lunch, public reception, party will have a picnic at the station, meeting the Outfitters' Association and the Peace River Seed Growers' Association. Brief address.

2 p.m. Leave Experimental Station by car, proceed through Beaverlodge to Hythe, arriving about 2:30 p.m. Informal reception, and leave again at 2:45 p.m. for Valhalla Centre, arriving there about 3:30 p.m. Informal reception, leave Valhalla Centre and proceed via Redwater to Peace River, arriving at 5 p.m. then on to Peace River, arriving at 5:30 p.m. Peace River Chamber of Commerce will have a reception. Address at supper.

Party will spend night on train at Peace River.

Friday, August 11

9 a.m. Motor trip through Rolla and Peace River, arriving at Peace River at 10:30 a.m. Visit Dawson Creek at Port St. John, visit Dawson Creek at afternoon, attending Elder's children's picnic. Rejoining train at Dawson Creek. Train will leave Dawson Creek for return.

During night train will proceed with party to High Prairie.

Saturday, August 12

9 a.m. Party will leave High Prairie by car for scenic trip along south shore of Lesser Slave Lake to Slave Lake or Smith, arriving at Smith, 10:30 a.m. Informal reception, and leave again at 2:45 p.m. for Valhalla Centre, arriving there about 3:30 p.m. Informal reception, leave Valhalla Centre and proceed via Redwater to Peace River, arriving at 5 p.m. then on to Peace River, arriving at 5:30 p.m. Peace River Chamber of Commerce will have a reception. Address at supper.

Party will spend night on train at Peace River.

Sunday, August 13

9 a.m. Party will leave Peace River by car for scenic trip along south shore of Lesser Slave Lake to Slave Lake or Smith, arriving at Smith, 10:30 a.m. Informal reception, and leave again at 2:45 p.m. for Valhalla Centre, arriving there about 3:30 p.m. Informal reception, leave Valhalla Centre and proceed via Redwater to Peace River, arriving at 5 p.m. then on to Peace River, arriving at 5:30 p.m. Peace River Chamber of Commerce will have a reception. Address at supper.

Party will spend night on train at Peace River.

Monday, August 14

9 a.m. Party will leave Peace River by car for scenic trip along south shore of Lesser Slave Lake to Slave Lake or Smith, arriving at Smith, 10:30 a.m. Informal reception, and leave again at 2:45 p.m. for Valhalla Centre, arriving there about 3:30 p.m. Informal reception, leave Valhalla Centre and proceed via Redwater to Peace River, arriving at 5 p.m. then on to Peace River, arriving at 5:30 p.m. Peace River Chamber of Commerce will have a reception. Address at supper.

Party will spend night on train at Peace River.

Tuesday, August 15

9 a.m. Party will leave Peace River by car for scenic trip along south shore of Lesser Slave Lake to Slave Lake or Smith, arriving at Smith, 10:30 a.m. Informal reception, and leave again at 2:45 p.m. for Valhalla Centre, arriving there about 3:30 p.m. Informal reception, leave Valhalla Centre and proceed via Redwater to Peace River, arriving at 5 p.m. then on to Peace River, arriving at 5:30 p.m. Peace River Chamber of Commerce will have a reception. Address at supper.

Party will spend night on train at Peace River.

Wednesday, August 16

9 a.m. Party will leave Peace River by car for scenic trip along south shore of Lesser Slave Lake to Slave Lake or Smith, arriving at Smith, 10:30 a.m. Informal reception, and leave again at 2:45 p.m. for Valhalla Centre, arriving there about 3:30 p.m. Informal reception, leave Valhalla Centre and proceed via Redwater to Peace River, arriving at 5 p.m. then on to Peace River, arriving at 5:30 p.m. Peace River Chamber of Commerce will have a reception. Address at supper.

Party will spend night on train at Peace River.

HIS EXCELLENCY THE GOVERNOR-GENERAL AND HER EXCELLENCY THE COUNTESS OF BESSBOROUGH

Who are making a tour of the Peace River country. The party will also include their son, Lord Duncan; A. M. Lavelle, Esq., secretary; Captain Stuart French, aide; Captain Tyrone, aide; and Lieutenant Stewart Dunn. Courtesy of Edmonton Bulletin

Wembley Sports Prove Popular

A good-sized crowd attended Wembley sports, held on Wednesday afternoon.

Wembley won over Clairmont after the hardest kind of a battle in the softball tournament.

Lake Saskatchewan defeated Wembley in the only baseball game.

The young ladies from the Prairie won out in the basketball tournament after two good games.

First Round

In the first game of the first round, Senic Heights defeated Lake Saskatchewan No. 1.

Wembley No. 2 team eliminated Wembley No. 1.

Hermis Lake defeated Arden Heights, Wembley No. 1 won from Dundas by default.

Second Round

Senic Heights defeated Wembley No. 2.

Wembley No. 1 won over Hermis Lake.

Clairmont defeated Grande Prairie.

Senic Heights went down before Clairmont.

Final

In the final game Wembley won Clairmont in a nine-inning battle.

(Continued on Page Eight)

Conservatives To Hold Organization Meeting Aug. 15th

Arrangements are being made for an organization meeting of Conservatives of the newly constituted federal constituency of Peace River, to be held in the Elks Hall, Grande Prairie, August 15.

It is expected that delegates from all parts of the riding will attend.

It is hoped that not only representatives from the outside will be present.

A. E. Galloway is recruiting a baseball team to compete against a north of the river one at Hyatt's sports.

To the present the following have been organized: Bobby Robinson, manager; Turner, pitcher; Riquette, first base; Adam and C. Everett.

Charlie, who leaves a host of friends behind, when seen at the station by The Tribune reporter, stated that he had been in Canada for thirty years and was now in the Peace River district. He came here over the Elks train.

He said he was taking back with him to England food supplies of this country and expressed the hope that some day he would be able to return for a visit.

ATTENTION, SCHOOL CHILDREN

All school children are requested to be on the school grounds on Tuesday evening at 7:15 for rehearsal of the part they will play in the reception to Canada's Governor-General.

At Mayor of the town, I wish to appeal to the public to assist in every way possible in preparation for the reception of the Governor-General, Lady Beaulieu and party, who will visit Grande Prairie on the evening of Wednesday, August 9.

Everyone is asked to be present on the school grounds for the public welcome, and the public are asked to co-operate in decorating by the display of flags on houses and places of business.

P. J. TOOLEY, Mayor.

Third Reading of Amendment To Early-Closing By-law Left Over To August 7th Meeting

The third reading of the by-law to amend the Early Closing By-law to permit of the granting of a Wednesday half-holiday for the purpose of which a special meeting of the council was held on Monday evening, was left over to the regular meeting to be held on Monday evening, August 7.

The proposed by-law of the third reading it was necessary to have the unanimous consent of the members of council. The Mayor asked if the council was willing to give unanimous consent.

Councillor Spencer moved that the proposed by-law be given the unanimous consent be given, and the vote resulted as follows:

For—The Mayor, Spencer, Charles and Shaver.

Against—Croken, Porteous and Hening.

Hail Does Damage In Southwestern Districts

(By The Tribune's Correspondent) HALIFAX, July 31.—The people of the Halcourt, Edmunt, and Hinton Trail districts were hailed out about 75 per cent last Wednesday and Thursday. Trees aren't tough enough to survive here to make a sound and give us another slip in the seat of the pants. No one had had insurance as this is the first time we have ever had this experience around here. It is a man feeling like saying, "I'm smashed into the ground and the garden all ruined."

The hail seemed to start southwest of the Grande and came northward before assistance reached him. The hail was not within two miles south of Halcourt everything it came southeast and cleared out the Hinton Trail district to the same extent.

Next day we had another visit and the farmers west and north of Halcourt got hit.

It took just about fifteen minutes to wipe out two years of real toil, and it leaves a man feeling like saying, "What's the use?"

The hail seemed to start southwest of the Grande and came northward before assistance reached him. The hail was not within two miles south of Halcourt everything it came southeast and cleared out the Hinton Trail district to the same extent.

Former Grande Prairie Man In Car Accident

EDMONTON, July 25.—Possible fracture of the skull was suffered Tuesday night by O. E. Pedersen, 24, of 424 10th Street, when his car crashed into another at the intersection of Portage Avenue, 111 Avenue and 105 Street, city police revealed Thursday.

Pedersen, driving southeast on Portage, crashed his machine into a car operated by H. P. Stover, 1240 10th Street, and which was going west on 111 Avenue and across Portage.

The crash damaged both cars considerably.

Police revealed that six other young men were in Pedersen's car at the time of the accident, but that none of them was hurt.

Pedersen is at the Royal Alexandra Hospital. In addition to the possible fracture of the skull, he received fractures of the ribs on the left side of his body and severe shock.

It is stated that of the six passengers in Pedersen's car, two of them were in Pedersen's car at the time of the accident, but that none of them was hurt.

Pedersen is at the Royal Alexandra Hospital. In addition to the possible fracture of the skull, he received fractures of the ribs on the left side of his body and severe shock.

Mayor Appeals to Public Co-operate in Welcoming The Vice-Regal Party

At Mayor of the town, I wish to appeal to the public to assist in every way possible in preparation for the reception of the Governor-General, Lady Beaulieu and party, who will visit Grande Prairie on the evening of Wednesday, August 9.

Everyone is asked to be present on the school grounds for the public welcome, and the public are asked to co-operate in decorating by the display of flags on houses and places of business.

P. J. TOOLEY, Mayor.

WHERE INFORMATION ABOUT THE GOVERNOR-GENERAL'S ITINERARY CAN BE OBTAINED

Anyone wishing any information regarding the Governor-General's visit are requested to get in touch with any one of the following members of the transportation committee:

Mr. H. Howard, Sexsmith; J. Tooley, Grande Prairie; George Nelson, Wembley; or with the local reception committee at the different points.

THE NORTHERN TRIBUNE

AN INDEPENDENT WEEKLY

NEWSPAPER

Published every Thursday at Grande Prairie, Alberta. The Tribune's aim is to be thoroughly newsy, to be fair to all sections, and to be of service to the community. It is the policy of the Peace River Country and help make known this "Northern Empire" many adventures.

Letters for publication are welcomed. No pen name may be used, though correspondents must also sign their proper names, not necessarily for publication, but as evidence of good faith. In publishing a communication, The Tribune does not imply agreement with any opinions contained therein.

THURSDAY, AUGUST 3, 1933

WELL DONE! NORTHERN EXHIBITORS

Contributions are due exhibitors of the area who are exhibiting at the Region's Grain Exhibition being held at Regina from July 24 to August 5.

To be in the running at all is quite an achievement, but the exhibitors in the United States have been prizes in the nature of a triumph.

No other district, either in Canada or the United States, has been placed in the public eye by the splendid winning of the exhibition.

This splendid showing indicates two things: that the climate and land here in the Peace River country permit growing the finest grain, and that the area has some of the most progressive agriculturists in the west.

It is a credit to the Peace River country has been placed in the public eye by the splendid winning of the exhibition.

The Tribune takes this, its first opportunity, to offer congratulations.

SEEMS A GOOD SUGGESTION

A suggestion made at the recent "Grain Growers' Association" meeting to hold the annual meeting place in the Peace River country, instead of the usual place in the west, seems a good one.

Not only is the Peace River country centrally located but skirting the lake it does, and being rich in trees, it is an ideal place to hold a picnic.

If it should be decided to make the annual place to hold the annual picnic, the organization could then have the picnic in the Peace River country, instead of the usual place in the west.

It is a credit to the Peace River country has been placed in the public eye by the splendid winning of the exhibition.

The Tribune takes this, its first opportunity, to offer congratulations.

FAILURE OF THE WORLD CONFERENCE

That the World Economic Conference has failed to accomplish anything worth while is the opinion of many. A considerable preliminary work was done, but it was thought that the delegates to the conference would do something that would help stabilize conditions throughout the nations.

It is a credit to the Peace River country has been placed in the public eye by the splendid winning of the exhibition.

The Tribune takes this, its first opportunity, to offer congratulations.

is nothing for them to do—and this, in a new country, which in natural resources is one of the richest in the world—a country that is crying out for development.

Governments and municipalities are cutting down and eliminating help, and then expect the people to get on their feet. Did anyone ever hear of any such absurd?

These are the conditions. Starve the people and then not giving them any help. Big interests call the surplus in the various lines overboard, as a matter of fact, it is the result of underconsumption.

To rectify this nefarious, inhuman, moral condition of the world, and the world, and as the Tribune sees it, the solution is not so difficult if we will have the will.

Before a satisfactory re-arrangement can be arrived at, it is absolutely necessary that people get a new viewpoint of life—one which will take the human being above the dollar.

Before a great while there will be both federal and provincial elections, and the only party that will be worth a whoop will be the one that has a platform of justice to meet the conditions. Politicians will not do it. People are sick of politicians talking all around the issues. What is needed is action.

The present system as we know it is through, for the reason that it has ceased to function in keeping people in both federal and provincial elections, and the only party that will be worth a whoop will be the one that has a platform of justice to meet the conditions. Politicians will not do it. People are sick of politicians talking all around the issues. What is needed is action.

Put the \$50,000 unemployed people on our coast, and at decent wages, place the basic industry of the country on a sound basis, and then see how quickly the surplus—outside possibly when the surplus is gone, will disappear.

A RARE MUSICAL INSTRUMENT

On Saturday afternoon I called at A. R. Helm's Music Store and was shown a genuine Hungarian viola.

This viola has a most interesting history. It was played by a noted gypsy player and the thought came into my mind that it would be a fine instrument to have in my collection.

As I studied it, I tried to conjure up the past. I tried to imagine the gypsy player who had played it, and the gypsy who had passed it on to the next owner.

And now, after such experience, the viola has been purchased by me. It is a fine instrument to have in my collection.

Some day someone with the proper taste will purchase it, and it will still be in a splendid state of preservation. It will do its bit in brightening lives here.

After all, the world is not so very large.

A JOKE THAT JOKED

The other day, which will hunt for me, I ran across a very amusing practical joke which joked.

It was a joke that joked. It was a joke that joked. It was a joke that joked.

"Hello! Is this Mr. —?"

"Yes, What can I do for you?"

"This is Mr. —?"

"All right. We will be in Grande Prairie shortly."

"The letter's phone name rang, as an answer to my question."

"Yes. What can I do for you?"

"This is Mr. —?"

"All right. We will be in Grande Prairie shortly."

"The letter's phone name rang, as an answer to my question."

is nothing for them to do—and this, in a new country, which in natural resources is one of the richest in the world—a country that is crying out for development.

Governments and municipalities are cutting down and eliminating help, and then expect the people to get on their feet. Did anyone ever hear of any such absurd?

These are the conditions. Starve the people and then not giving them any help. Big interests call the surplus in the various lines overboard, as a matter of fact, it is the result of underconsumption.

To rectify this nefarious, inhuman, moral condition of the world, and the world, and as the Tribune sees it, the solution is not so difficult if we will have the will.

Before a satisfactory re-arrangement can be arrived at, it is absolutely necessary that people get a new viewpoint of life—one which will take the human being above the dollar.

Before a great while there will be both federal and provincial elections, and the only party that will be worth a whoop will be the one that has a platform of justice to meet the conditions. Politicians will not do it. People are sick of politicians talking all around the issues. What is needed is action.

Put the \$50,000 unemployed people on our coast, and at decent wages, place the basic industry of the country on a sound basis, and then see how quickly the surplus—outside possibly when the surplus is gone, will disappear.

Along The Trail
By J. B. YULE

A RARE MUSICAL INSTRUMENT

On Saturday afternoon I called at A. R. Helm's Music Store and was shown a genuine Hungarian viola.

This viola has a most interesting history. It was played by a noted gypsy player and the thought came into my mind that it would be a fine instrument to have in my collection.

As I studied it, I tried to conjure up the past. I tried to imagine the gypsy player who had played it, and the gypsy who had passed it on to the next owner.

And now, after such experience, the viola has been purchased by me. It is a fine instrument to have in my collection.

Some day someone with the proper taste will purchase it, and it will still be in a splendid state of preservation. It will do its bit in brightening lives here.

After all, the world is not so very large.

A JOKE THAT JOKED

The other day, which will hunt for me, I ran across a very amusing practical joke which joked.

It was a joke that joked. It was a joke that joked. It was a joke that joked.

"Hello! Is this Mr. —?"

"Yes, What can I do for you?"

"This is Mr. —?"

"All right. We will be in Grande Prairie shortly."

"The letter's phone name rang, as an answer to my question."

"Yes. What can I do for you?"

"This is Mr. —?"

"All right. We will be in Grande Prairie shortly."

"The letter's phone name rang, as an answer to my question."

"Yes. What can I do for you?"

"This is Mr. —?"

"All right. We will be in Grande Prairie shortly."

"The letter's phone name rang, as an answer to my question."

Drew said Fort McMurray, north of Edmonton, was the greatest aviation centre in Canada.

There was a very definite spike in the exports of Canadian agricultural products to the United States in June, the value of the total being \$596,000 compared with \$217,000 in June, 1932, a record of the Dominion Bureau of Statistics said.

TRADE WITH RUSSIA

LONDON.—With Anglo-Russian economic warfare ended as a result of negotiations between Maxim Litvinov, Soviet foreign commissar, and Sir John Simon, secretary for foreign affairs, Great Britain is looking forward to a greatly increased trade with the Soviet Union, officials said.

Hardy progress is being made towards a new trade pact to supplant the one scrapped at the beginning of the economic troubles, which reached dramatic height with the trial of six British electrical engineers on charges of sabotage and bribery in Moscow.

Products such as timber find a good outlet in Great Britain, and the new trade pact will facilitate such business.

The projected accord also will enable Great Britain to exert more pressure on the Soviet Union for a cessation of the Russian blockade of the Baltic sea.

Half of the British who live in the Russian markets will be mainly at the expense of Germany, where many of all the Russian passengers abroad have been placed.

SOME BIRTHDAY DINNERS

Peter the Great, three times of his age, was 30 years old and Bronx Kingsley prepared his four-course birthday dinner. The supper was a buffet table of merriment. In lieu of soup was served a shawl of young corn stiffs. Entree consisted of two halves of brown brain bread. And the piece de resistance was Peter's standard dinner, 100 pounds of hay.

THE AIRCRAFT OF NORTH AMERICA

A survey of major air lines carrying passengers to every corner of America—and one of them planning to extend across the ocean—showed that commercial aviation has increased its passenger income by one-third in recent weeks.

The reason? Renewed activity in general business and loss of what aviation men call "air anxiety" by the public.

The result? A battle for the new business comparable to that of the railroads several decades ago.

In the schedule for passengers millions of dollars have been poured into new equipment, sound-proof cabins have been evolved by United Air Lines; American Airways has responded with ships in which passengers can sleep on comfortable berths during night trips between Chicago and the Pacific Coast.

A smaller line, Northwest Airways, has ordered a fleet of planes capable of 215 miles an hour, with a cruising speed of 180, and announced a plan to compete for business between Chicago and the Pacific Northwest.

At the coast, Northwest will connect with Pan-American Airways, which plans to extend its present lines to Alaska, and across the Arctic to Asia.

At present, Northwest operates between Chicago and Montreal and onward to Winnipeg, Man.

An proof of increasing business the Chicago municipal airport announced that 6,957 passengers were carried out of Chicago on regularly scheduled trips during June, an increase of 20 per cent from a year ago.

Many licensed pilots have obtained employment in the past few months, air line officials announced, because of additional planes placed on schedules.

Trips between Chicago and New York have been doubled by three lines. A traveler between the two cities now has a choice of more than 20,

planes daily, the time of the scheduled flying upward from four and three hours down to about five and one-half hours westbound.

BRITAIN AND SWEDEN MAY HAVE TRAIN FERRY

A train ferry between Sweden and Britain may be inaugurated if general plans materialize. A minimum capital of one-half million kroner already has been subscribed, due to the confidence in which the project is regarded in Britain.

Drawings for the ferry have been made and the boat is estimated to cost 2,500,000 kroner and have room for 54 locomotives, 30 freight cars and 120 first-class passengers. The Swedish vessel will be at Ystad.

It has been suggested that during the summer months the ferry make an intermediate stop at Copenhagen.

BRITISH EMPIRE CONFERENCE

MELBOURNE, Australia, August 1.—The expression heard since here, official and unofficial, to effect the Empire should hold its own wherever it is held. If the World Economic Conference fails a failure.

Addressing a gathering of service men here, Hon. H. G. Latham, attorney-general in the commonwealth government, declared: "If the World Economic Conference fails, I earnestly hope an attempt will be made to hold British Empire conference, at which empire affairs may be placed upon a permanent basis."

PAIRIE WHEAT SALES SHOWN

Private wheat marketings showed an increase of 2,611,779 bushels over the corresponding period last year for the week ending June 23, according to Dominion government figures.

Total marketings for the crop year ended were 329,741,915 bushels, compared with 320,622,190 a year ago.

GRADING AND STAMPING BEING NEW ON COMPULSORY BASIS IN SASKATCHEWAN

Saskatchewan is putting teeth into the Federal Livestock and Livestock Products Act, which provides for the grading and stamping of beef.

By a provincial order-in-council, passed on June 6, the regulations contained in the federal order-in-council, which has been in effect for the past few years, have been made compulsory.

In other words, the regulations which have been operating on a voluntary basis are now placed on a compulsory basis, with the omission of enforcement under the federal government.

Publication of the provincial order-in-council, together with the regulations as set out by federal enactment, are contained in the latest issue of the Saskatchewan Gazette.

FLOUR UP, LIQUOR DOWN

Local news of the return from the city Monday brought back the news that Mr. Dinning had reduced the price of his goods, in some cases as much as fifty cents per gallon, certain wines have been put down 35 cents per gallon, Spanish wines are down 50 cents per gallon; some Australian brandy is down by 25 cents per gallon. On certain eye whiskey French brand, there will be given customers a cheaper price will be given others.

As you are possibly aware, these prices are cash, as Mr. Dinning, so far as we know, doesn't run his business on the credit system. His merchants—he has no charge accounts and rarely makes donations,—don't, Plain Jan.

"Thinking of opening a movie theatre."

"Well, there's good money in that business."

"I don't see the money as much; but it is like to my wife and kids to be in a while."

NEW FREEMASONS' HOSPITAL TERMED "PERFECT"

King George has recently opened the new Freemasons' Hospital at Ravenscourt Park, London, which is claimed to be as near perfect as possible. Constructed in modern lines, with operating theatres of unique design, this new hospital contains one of the most remarkable collections of medical appliances ever contained in any single hospital. The picture shows the front of the building.

HEADS C. C. F.

James Woods, veteran Labor leader, who was unanimously elected first national chairman of the Co-operative Commonwealth Federation at the meeting in Regina.

C. C. F. MANIFESTO DECLARES WAR ON CAPITALISM

REGINA, Sask.—What the Co-operative Commonwealth Federation sees for its new Dominion of Canada and how it aims to achieve its reforms is now before the public.

In a 4,000-word manifesto, issued on the opening of the first national convention of the organization here, the C. C. F. disclosed its program for a national planning commission to guide the nation in its transition, boards of management for control of public utilities and other social enterprises, and set forth the changes desired.

Under the new regime which the organization hopes to establish after the next federal election, when it will seek governmental power, banking and insurance would become nationalized and gradually socialization would be extended to industry. First of the industries to come under public control would be transportation, communication and electric power generation, to be followed by mining, pulp and paper, distribution of milk, bread, coal and gasoline. New policies for foreign trade and external affairs would be established and the system of taxation would be radically altered. Throughout it all was sounded war on capitalism, with the declaration "no C. C. F. government will rest content until it has eradicated capitalism."

"In the type of economy that we envisage," declared the manifesto, "the need for taxation, as we now understand it, will have largely disappeared. It will, nevertheless, be essential, during the transition period, to use the taxing powers along with other methods, as a means for providing for the socialization of industry and for extending the benefits of increased social services."

"At the present time capitalist governments in Canada raise a large proportion of their revenues from such levies as customs duties and sales taxes, the main burden of which falls upon the masses. In place of such taxes upon articles of general consumption, we propose a drastic reduction of income, corporation and inheritance taxes, steeply graduated according to ability to pay. Full publicity must be given to income tax payments and our tax collection system must be brought up to the English standard of efficiency."

"We also believe in the necessity for an immediate revision of the basis of Dominion government sources of revenues, so as to produce a consolidated and equitable system of taxation throughout Canada."

The manifesto outlined the "deleterious character of present government financing." "The C. C. F. proposes," it said, "that in future no public financing shall be permitted which facilitates the perpetuation of speculative investment-receiving class, that capital shall be provided through the medium of a national investment board and free from perpetual interest charges."

CAUGHT IN DRIFTING ICE

CHITREHILL.—After nearly a week in the ice of Hudson Bay, the motor schooner "Fort Severn," Hudson's Bay Company, with Capt. D. O. Morris in command, docked here July 18.

When seen upon arrival here, Hugh Conn, district manager, said there had been no suffering. The "Fort Severn" had been caught in the drifting ice. When the wind was favorable the sails were raised and the ship moved slowly through the ice.

A cargo of furs from the post at York Factory was unloaded. The ship loaded supplies for northern trading posts and sailed for Cape Eklund.

PRINCE HERD BIG WINNER

EDMONTON.—The "Prince of Wales" herd from High River was again a big winner at the Edmonton Exhibition. In the Shorthorn class Princeton Marion won the junior and grand championships, also first on junior get-of-sire, progeny of dam and breeder's herd. Campbell Farms of Moffat, Ont., showed the senior female champion, which was made reserve grand.

CONVERSION LOAN PLAN

LONDON.—Great Britain, seeking to convert 5½ per cent war loan bonds floated in the United States in 1917 into 2½ per cent sterling bonds, asked the American holders to accept abrogation of the bonds' gold clause.

As an inducement an offer was made of conversion of each \$100 of 5½ per cent \$1,000 bond into a sterling bond of 260 pounds sterling—that is, at the rate of \$134 against the parity of \$130 which the United States dollar and pound exchange rate touched recently.

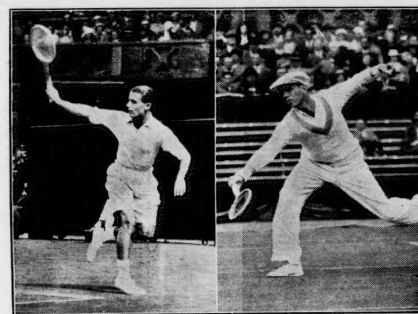

The bonds were floated just before America entered the Great War in 1917.

Drouin is threatening crops in parts of Honduras.

ELLSWORTH TO SETTLE ANTARCTIC PROBLEM

Mrs. Lincoln Ellsworth, bride of the famous explorer, is accompanying him on what has been described as the "last great venture in South Polar exploration." Ellsworth, Sir Hubert Wilkins and Bernt Balchen will explore by air and dog team the 1,450 miles between Ross Sea and Weddell Sea. Balchen, who piloted Admiral Byrd's plane over the South Pole, will fly the plane, while Ellsworth acts as observer and Wilkins as photographer. Mrs. Ellsworth will remain at the Bay of Whales base with eight other of the expedition's personnel. The expedition will sail from New Zealand about November 1, and plans call for a return in May of next year.

"BUNNY" AUSTIN TURNS THE TABLES ON UNITED STATES CHAMPION

The victory which H. W. Austin (left) of the Mothe: Country scored over Ellsworth Vines (right) in the Varsity Cup series will go down in the annals of spring history. Meeting for the first time since Vines lost the Britisher in straight sets in the All-England final a year ago, Austin was not conceding a chance against the American champion in the finals in France, but he went on the courts and won 6-1, 6-1, 6-4. The worst defeat Ellsworth Vines has suffered since he was hailed by his fellow-countrymen as the "world's best."

SEATTLE, Wash., July 25.—A wireless message received here today from Capt. John Livingston, master of the steamship Northwestern, of the Alaska Steamship Company, said the vessel had struck a rock off Sentinel Island, near Juneau, Alaska, and was resting on the beach at Eagle River. The message said the one hundred passengers were safe. They will be taken to Juneau by the U.S.S. destroyer Trevor.

BRIDGEPORT, Conn., July 25.—Wiley Post, round-the-world flier, offered to lend his aeroplane, Winnie Mae, to Captain J. A. and Amy Molson, for a continuous of their flight to Baghdad. "Post offered his ship to do anything we wanted to do, but the flight is definitely ended," Molson said.

MUNDARE, Alta., July 26.—Anton J. Krenowski, 28, Mundare, was killed and L. L. M. Hart, Edmonton, oil salesman, was seriously injured when the light car driven by the latter collided with a grain truck on the highway five miles west of here Tuesday. Mr. Hart received three deep cuts about the head and was suffering concussion of the brain. Latest reports from the hospital are to the effect that he is resting and has a fair chance of recovery.

SHOAL, HAIBOR, Newfoundland, July 26.—General Balth brought 25 of his homebound-bound airplanes down here Wednesday, ending the third lap of their flight back to Italy from the Century of Progress Exhibition at Chicago. One had been forced down at Victoria Harbour, P.E.I., by engine trouble.

LONDON, July 26.—Prime Minister Bennett will take a brief rest before he returns to Canada, after a busy couple of months here with the World Conference, the Wheat Conference, and talks with United Kingdom and other Empire representatives.

LONDON, July 26.—Amid loud cheers, Neville Chamberlain, chancellor of the exchequer, in the House of Commons today asserted that "sterling will not be linked to gold on the one hand or to the dollar on the other."

MANITOBA CROPS

WINNIPEG.—Varied crop prospects in Manitoba, ranging from excellent in the area north of Hudson, Manitoba to poor in the extreme southwestern corner, are reported in the summary issued by the Manitoba Department of Agriculture.

Absence of adequate rain and grasshopper damage continue as outstanding factors. Rain has been insufficient for seven weeks. A considerable section of the Red River Valley and a strip across southern Manitoba near the North Dakota boundary are now infested with fall-crowns, flying hoppers, says the report.

Rather than chance loss through drought and hoppers, some farmers are cutting their crop for green feed.

The production of potatoes in Canada in 1932 amounted to 79,119,000 bushels, the smallest yield recorded since 1916.

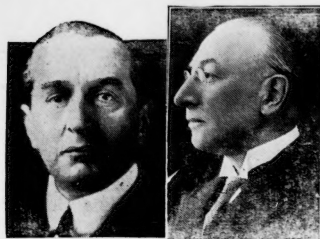

Germany has a "renovator" campaign.

WALTER MILLER

Chicago White Sox pitcher, who has shown they can come back. He was given unconditional release when his arm went bad and although he wrote to several clubs last March saying his arm was "good" again, Chicago was the only one to grant him a trial. Already he has won four games for the White Sox.

SUNKEN CONTINENT

RAN DIBBO, Cal.—Captain C. R. Mayo, who as captain of the naval tanker "Husnapa," lying between San Pedro and Manila, made an extensive study of the ocean bottom, said he had mapped a submerged continent in the Pacific twice the width of America. Last May Captain Mayo discovered a deep with the same depth under the coast of Japan, where the bottom fell away to 5,600 fathoms. It is one of the greatest ocean trenches ever discovered.

PROVIDE FIREWORKS AT CONFERENCE

Although the World Economic Conference has recessed, the final formalities were not entirely complete. Reports from Reginald stated that the Australian delegate, Right Hon. Stanley Bruce (left) attacked the wheat situation with the words: "If the conference does nothing but make efforts to limit production, then indeed we shall have to admit the conference has failed in its great task." The Canadian Finance Minister, Hon. E. N. Doherty (right), cast a bombshell by flatly declaring Soviet dumping had ruined the world markets, and later raised objections to the copper report.

FAMOUS RELIEF PITCHER

When Fred Marberry was a member of the Washington club he acquired fame as a relief pitcher. Now he is used almost exclusively as a starting hurler and has won thirteen and lost but five games to date.

NO STABILIZATION PLAN

OTTAWA.—No action is being taken with the United States dollar or with the pound sterling, according to the Canadian dollar cannot be said to be definitely linked up with either. This was the explanation given here when the discussion over Empire currencies in the British House was referred to government officials.

Leslie H. H. Bell, a financial secretary to the treasury, said the British House that no fresh proposals were under consideration for the stabilization of Empire currencies.

POINT BROCKTON GUN SILENT

VANCOUVER, B.C.—The gun which has been loaned to watch-pulling for 30 years is now silent. Its original purpose of supplying time for ship's chronometers having passed, the Dominion government decided to save its annual cost in powder of \$5,000. The gun was cast in 1810 and brought out to defend Esquimalt.

TURN AGAIN DICK WHITTINGTON

This picture was taken when the Archbishop of Canterbury went to the Church of St. Mary-le-Bow, Cambridge, to rededicate the famous Bow Bells, which have been restored and recast. The Archbishop can be seen preaching from the pulpit. The Bow Bells will be associated with Dick Whittington, that romantic figure in London's history. The Great Bell of Bow was cast in 1609 and recast in 1728, and weighs 5,539 pounds. The Londoner who is born within the sound of Bow Bells is the true "cockney."

CANADA ISSUES SPECIAL EXHIBITION STAMP

To commemorate the opening of the World's Grain Exhibition and Conference at Regina this month the Canadian Post Office has issued a special set of stamps. Above is shown a reproduction of a twenty-cent stamp bearing the title "World's Grain Exhibition and Conference."

WHAT'S IN A NAME?

Meet William Shakespeare, an ancestor of the Stratford-on-Avon Corporation, who claims he is a direct descendant of the celebrated English poet who bore the same name. William is shown at his daily task of street-sweeping in the poet's birthplace.

"Yes, that is Professor Sharkey, the eminent authority on mudmen, with one of his most ardent followers." The Humorist, London.

"QUALITY AND LOW PRICES"

Grande Prairie TWO STORES Sexsmith

At the 19th Hole

The Men's Open Championship Tournament of the Richmond Hill Golf Club was started off under incident weather conditions on Saturday afternoon, there being a slight drizzle of rain.

Thirty-two players qualified for the tournament—three visitors from Peace River, two from Ft. Assiniboia, and three from Spirit River (Gordon Wilson, N. J. Morris, and Dr. H. B. Barnett). The balance of these qualified were club members.

The following are the cards turned in for the qualifying round:

QUALIFYING ROUNDS

Geo. Duncan	80
C. G. Butchart	80
Ed. Culver	80
W. H. Rogers	100
F. S. Rogers	100
Bill Rose	104
F. Donald	104
Jas. Evans	108
A. R. McMillan	108
N. J. Morris	110
G. Pratt	110
P. J. Tooley	110
C. G. Fleming	111
A. R. Gaudin	111
C. G. Fleming	111
F. G. Robinson	111
G. Nelson	112
G. H. Gray	115
T. Agnew	115
H. Black	115
J. Leitgeb	115
G. Simpson	115
G. W. Fredericks	120
G. Wilson	120
J. M. Smart	121
Dr. Barnett	121
L. Broughton	122
D. W. Pratt	122
L. Nelson	122
P. Harrington	129
R. H. Watscher	129

The best card turned in for the tournament was by "Ed" Culver, who made the match in the semi-finals, when he made a nice score of 42.

The game had the earmarks of a golf right from the first tee. After the first round, Ed Culver, 47, and George were the first hole of the second round with a par 4 against a 5. The second and third rounds were halved. Culver won the fourth and fifth. The sixth and seventh were halved. This made the match four up in Duncan's favor. On the eighth Duncan holed out for a par 4 from about fifteen yards from the green. "Ed" taking a 5. The cards:

First Round

Culver	54
Duncan	54

Second Round

Culver	54
Duncan	54

Taking the best ball of the two players, it will be seen that they came very close to making par for the course, getting a 54.

Another close game was played, the one between "Ed" and George. Ed Smart having to go twenty holes to decide the winner, the former winning by a stroke. "Ed" is going very strong, considering this is his first year of golf.

N. J. Morris of Spirit River, the only visitor to qualify for the championship flight, won from Francis Donald at the seventh green, the second round. Morris in his match against Duncan played steady golf and took the match to the twentieth green, being then down four holes. Duncan won the seventeenth, making it 4 and 2.

Every golfer has his off-day, and it seems that he can't do anything right. "Clay" Butchart had an off-day in his match with "Rose" McMillan to say who should go into the semi-finals. "Mac" was the first nine holes. Whenever McMillan took a 5, Butchart took a 7.

Garnet Pratt, the youngest member of the club, this being his second year, played like a veteran in his game with McMillan in the semi-finals. Garnet played well off the tee and the fairway. He took "Mac" to the fifteenth green before the match was settled.

First Round

McMillan	63
Pratt	63

Second Round

McMillan	64
Pratt	64

The rain on Monday did not seem to bother either Jack Sissons or P. J. Tooley in their game. Jack had quite a lead after the first round, but "P. J." thought it might be possible to overtake him after the morning rain. Sissons is too keen a golfer, however, to let him beat him and the Mayor lost out. Sissons won 4 and 2.

Final Round

McMillan	63
Pratt	63

The final round of the championship flight is filled by McMillan and Duncan. The former reached there by defeating J. Evans, "Clay" Butchart and G. Pratt; the latter by defeating C. P. Lewis, N. J. Morris and "Ed" Culver.

Harry Black, George Nelson of Wembley are in the finals of the flight, the former defeating L. Broughton, The Agnew and F. G. Robinson; the latter P. Harrington, J. Leitgeb, "Ed" Culver and "Mac" McMillan.

The final game of the championship flight will be played on Saturday afternoon and Sunday, eighteen holes each.

The final of the first flight probably will be played on Sunday.

The men's district committee will have to get busy and make new handicaps before the Dunlop Golf Club is played for. Even interest will be taken in this competition by all the new beginners.

On Monday afternoon a match was arranged between "Mac" McMillan and "Ed" Culver. The match was a close one, with "Mac" winning by four points. The cards for the first round read: Butchart, 50; Culver, 50; McMillan, 50; Pratt, 50.

For the second round, Butchart, 47; Culver, 47; McMillan, 47; Pratt, 47.

The highlight of the match was when Butchart got a birdie on hole 3 against Culver.

Result of the

CHAMPIONSHIP FLIGHT

G. Duncan	Duncan
M. F. Lewis	Duncan
N. J. Morris	Duncan
F. Donald	Duncan
J. Sissons	Duncan
P. J. Tooley	Duncan
C. G. Fleming	Duncan
Ed. Culver	Duncan
W. H. Rogers	Duncan
C. G. Gray	Duncan
T. Agnew	Duncan
W. Rose	Duncan
Jas. Evans	Duncan
A. R. McMillan	Duncan
G. W. Fredericks	Duncan
C. G. Butchart	Duncan

FIRST FLIGHT

P. J. Tooley	Tooley
C. W. Fredericks	Tooley
H. Black	Tooley
L. Broughton	Tooley
D. W. Pratt	Tooley
L. Nelson	Tooley
J. M. Smart	Tooley
J. Leitgeb	Tooley
B. J. Barnett	Tooley
P. Harrington	Tooley
Nelson	Tooley

Today (Thursday, August 3) the Richmond Hill Golf Club annual play will be held at the course. Suggest will be played at 10.30 a.m. and mixed two-ball foursomes will be played. A hole-in-one being prepared, around which all will gather and a present evening singing will follow. The latter company will be quite a treat for everyone bringing his or her own knife and fork.

ROBERT COCHRANE WINS

FIRST PLACE IN TIMOTHY
